APPENDIXMUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE) former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

MUSLIM MOSQUE, INCORPORATED (MMI)

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

NATION OF ISLAM

A source advised on May 3, 1968, that the Nation of Islam (NOI) is an all-Negro organization originating in Detroit, Michigan, in the early 1930's. ELIJAH MUHAMMAD is the leader of the NOI and self-styled "Messenger of Allah" in that he claims ALLAH (God) selected him to lead the so-called Negro out of slavery in the wilderness of North America by establishing an independent black nation within the United States. Headquarters of the NOI is located at Muhammad's Temple (or Mosque) #2, 5335 South Greenwood Avenue, Chicago, Illinois.

MUHAMMAD teaches there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "devils", in the United States; and that the white race because of its exploitation of the so-called Negro will be destroyed by ALLAH in an approaching "War of Armageddon", a war between God and the devil.

Officials and members of the NOI, including Muhammad, have refused to comply with provisions of the Selective Service Act, stating that they respect laws of the United States as long as they do not conflict with the laws of the NOI, but do not believe the government should force them to participate in wars from which they have nothing to gain.

In the late 1950's, MUHAMMAD, acting on legal advice, tempered NOI teachings against the white man and the government to avoid possible prosecution; however, basic tenets remain the same. He de-emphasized religious teachings in the NOI and emphasized economic benefits derived by so-called Negroes who join the NOI. MUHAMMAD believed this would create more interest in his programs and, of course, new followers.

APPENDIX

APPENDIXORGANIZATION OF AFRO-AMERICAN
UNITY, INCORPORATED (OAAU)

On June 28, 1964, Malcolm X Little, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all-Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by Malcolm X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African Heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of Malcolm X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," which the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. Little condemned the nonviolent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes in education, politics, culture, economics, and social reform.

Malcolm X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On April 13, 1965, a source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth the organization's true name would be Organization of Afro-American Unity, Incorporated.

On February 28, 1966, a second source advised that the president and head of the OAAU is Ella Collins, a half-sister of the late Malcolm X, who resides in the Harlem Section of New York City.

UNITY, INCORPORATED (OAAU)

On May 8, 1967, the first source advised that the headquarters of the OAAU is located at 224 West 139th Street, New York, New York, which is the residence of Ella Collins.

NY T-1, a ^{ANOTHER} United States Government agency ^{WHICH} ~~investigative jurisdiction~~ advised on July 31, 1969 that James Baldwin arrived at Istanbul, Turkey, from Athens, Greece via Air France on July 13, 1969.

The following article which appeared in the August 18, 1969 edition of "Milliyet" a daily newspaper published in Istanbul, Turkey was furnished by NY T-1 on October 22, 1969:

"Yasar Kemal, Engin Cezzar, And James Baldwin
Have Formed A Partnership"

"There is a Negro writer whose love for Turkey is as well-known as his fame on the world scale. He did not hesitate to frankly state the following on the Paris television: 'I cannot imagine a country in the world as beautiful as Turkey, a people as nice as the Turks, and another land where Negroes can live comfortably.' The name of this writer, who celebrated his 45th birthday two weeks ago, is James Baldwin."

"Every summer for 5 - 6 years in succession, he has come to Istanbul, lived here, written a novel, and departed. His admiration for Istanbul is altogether different. Originally from the Harlem section of New York, he says, 'Look here; look there. It's as though one is drowning amongst the cement blocks without being able to see the sky and the sea. Its people have been turned into robots."

"Whereas here, everyone is friendly and close to one another." James Baldwin, who first came to Turkey in 1960, has many Turkish friends. Every year, he comes, writes a novel and departs."

"These are the titles of his novels:"

"Nobody Knows My Name; Go Tell It To The Mountain; Another Country; The Fire Next Time; and Giovanni's Room."

"These are his plays:"

"Amen Corner (now playing in Los Angeles) and Blues For Mr. Charlie."

"Before coming here, he stayed for 18 months in Hollywood and prepared a scenario which was taken from a biography which reflects the white - black problem. So much so that, because of this, he was a delegate at the famous meeting between the blacks and Kennedy; he explained all of the details of this problem to President Kennedy; and he wanted a remedy to be found for it."

"Baldwin's method of working is strange. There are times when he writes continuously for 24 hours without food and drink. Under such circumstances, he does not even notice if you shout at him or hit him on the shoulder. Afterwards, he lies down and sleeps. Moreover, he is in a sound sleep for 48 hours. If you are able to awaken him, how fortunate you are."

"Baldwin is here again. This trip is for the purpose of establishing a new organization. He is establishing this company in order to get his books printed, translated, and sold, to get his plays produced, and to get his scenarios filmed. His partners are Yasar Kemal Gokceli, the originator
