Baldwin Will Quit U.S. If Goldwater Wins

BERLIN James Baldwin has vowed he will emigrate to another country if Senator Barry Goldwater is elected President of the United States.

At the same time, he denounced the American Black Muslim movement and racial violence in the United States.

Baldwin discussed the American racial problem in an interview given in Paris to the West Berlin newspaper Spandauer Volkstblatt.

The newspaper bannerlined the interview on the front page under the headline "Harlem Is A Ghetto."

Asked for his opinion of Goldwater's nomination as the Republican candidate for President the

Negro writer, said, "That is a scandal for the United States. I do not believe in saying too much, but the San Francisco convention showed what the nation really thinks of us 20 million Negroes.

"It was a bitter lesson. If he becomes president I will emigrate. And I would not be the only one to do so."

Asked if he would support President Johnson's campaign for reelection, Baldwin replied, "As much as it is in my power to do so."

Baldwin condemned the Black Muslims as the Negro equivalent to the Ku Klux Klan.

"I have nothing in common with them," he said. "It is criminal to want to solve the (racial) problem with force. Only mutual understanding can help here. No race is superior to another. To try and reverse the present relationship is to drive out the devil with Beelzebub."

Baldwin said Negroes regretted more than anyone the recent outburst of violence and looting in northern cities.

"Such demonstrations always and everywhere are used by dark elements for their criminal goals," he said. "And not only by Negroes. Look at what happened in Europe during the depression."

The pretext utilized by SA [REDACTED] on 3/23/65, to verify the subject's residence consisted of an attempt to locate an individual named BEHRINGER who resided in the subject's building. During the conversation between the agent and [REDACTED] the latter advised that the subject resides in Apartment 6 at 470 West End Avenue and is well known in the building as an author and playwright.

b7c-6

The Los Angeles Civic Light Opera Edition of Playbill entitled "Curtain Call" Volume 1, No. 7, dated July, 1964, on page 36, published an interview entitled "Playwright At Work: JAMES BALDWIN." A notation by the editor of Playbill noted that JAMES BALDWIN is a "brilliant burning tiger who is probably the monarch of the current literary jungle, (who) has won international acclaim as both a major writer and as the angry conscience of a nation." The notation continues "This blunt, lonely, perceptive forty year old bachelor has created three novels, three books of essays and the two plays. His latest work may be seen on Broadway in the Actors Studio's explosive production of 'Blues for Mr. Charlie.'" The notation concluded with the statement that BALDWIN recently discussed his career and views on the American theatre in a two hour interview.

It is to be noted that in the interview mentioned above wherein the subject was asked, "Will you write for the stage again?" BALDWIN replied, "I will do more plays. I am now finishing a book with RICHARD AVEDON on the way we now live in America. His pictures, my text-entitled 'An Essay'. Then I have a long article to do on the FBI and how it treats Negroes. It will be called, 'The Blood Counters', which is the Negroes nickname for the FBI. After that, perhaps a play."

Information pertaining to the subject's name being in the possession of the "China Daily News" in September, 1964, has been paraphrased in this report in order to protect the source.

CHINA DAILY NEWS

~~CONFIDENTIAL~~

On May 19, 1964, a source advised that the "China Daily News" (CDN) was founded in 1940 by a group of Chinese Communists and that the persons who controlled its policies from then to the present time have all been known to him as Chinese Communist leaders within the Chinese Communist movement in the New York area.

LOUIE TOM, a former employee of the CDN stated on October 30, 1962, that the people in the Chinese Community consider the CDN to be in favor of the Chinese Communists, and he now believes that they are correct. He stated that he and many other Chinese began reading the CDN because it reprinted stories from the homeland. He conceded that most of these stories favored the Chinese Communists.

The CDN, on December 29, 1962, contained an article on page 1 which stated that the financial situation has become more acute in recent days, and in order to operate it was necessary to economize. The article also stated that the CDN would only be published twice weekly, on Wednesdays and Saturdays.

Another source has advised during 1963 and 1964 that the CDN receives current news releases from the China News Service. The news releases are from Peking, Shanghai, and Canton, China.

On February 16, 1955, the CDN paid a fine of \$25,000.00, and EUGENE MOY, its managing editor, began serving a one-year prison sentence after conviction in the United States District Court, Southern District of New York, for a violation of the Trading with the Enemy Act, in connection with the paper's printing of advertisements for Chinese Communist banks which sought to induce Chinese in the United States to send money to Communist China. EUGENE MOY died on December 14, 1958.

COMMITTEE TO AID THE
MONROE DEFENDANTS

A source advised on October 10, 1961, that the Committee to Aid the Monroe Defendants (CAMD) was formed during September, 1961, by the Socialist Workers Party (SWP) in New York City.

Source advised on May 6, 1964, that the aims of the CAMD were to afford financial support and counsel for ROBERT F. WILLIAMS and four other defendants who were involved in a racial incident on August 27, 1961, at Monroe, North Carolina. The SWP hoped to dramatize this incident nationally and internationally through the CAMD and thus attract individuals to the SWP aims and principles by playing a leading role in the integration struggle. The CAMD was also active in promoting the philosophy of utilizing counter-violence to achieve integration as espoused by WILLIAMS.

According to the source, the organization and impetus of CAMD activities throughout the various parts of the United States, such as obtaining sponsors and the raising of funds, were the results of the efforts of various SWP branches.

The March 23, 1964, issue of "The Militant," a weekly SWP newspaper, stated the CAMD suspended activities. This article related that this action was taken following the rejection of this committee by the defendants just prior to the trial held February 18-28, 1964, at Monroe, North Carolina, which resulted in the conviction of all of the defendants, except ROBERT F. WILLIAMS.

ROBERT F. WILLIAMS has fled the United States and is reportedly residing in Cuba.

The SWP has been designated pursuant to Executive Order 10450.

EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

~~CONFIDENTIAL~~

"Emergency Civil Liberties Committee

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. * * * The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

(Committee on Un-American Activities, Annual Report for 1958, House Report 187, March 9, 1959, pp. 34 and 35.)

'To defend the cases of Communist law-breakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the * * * Emergency Civil Liberties Committee. When the Communist Party itself is under fire these fronts offer a bulwark of protection.'

FREEDOMWAYS ASSOCIATES, INCORPORATED

The records of the New York Secretary of State, Albany, New York, show that the certificate of incorporation of Freedomways Associates, Incorporated, was filed on March 2, 1961.

The Spring, 1964, issue of "Freedomways" is self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CPUSA), held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

On May 25, 1961, another source advised that "Freedomways" was set up for the CPUSA by JAMES JACKSON, a member of the National Committee of the CPUSA.

NEW YORK SCHOOL FOR MARXIST STUDIES

In September, 1960, a source advised it was announced at a meeting of the Communist Party, United States of America, (CP, USA), New York District (NYD), Staff, held September 16, 1960, that the People's School for Marxist Studies was founded in September, 1960, as the result of a decision of the CP, USA, NYD. Adult classes were scheduled to start October 17, 1960.

"The Worker," an East Coast Communist newspaper, October 16, 1960, issue, announced the opening of the New York School for Marxist Studies (NYSMS) with general classes beginning October 17, 1960, and Student Committee on Progressive Education (SCOPE) (Youth) Classes beginning October 14, 1960. The address of the School is Room 1922, 853 Broadway at 14th Street, New York, New York.

The records of Pierce Mayer & Greer, 41 East 42nd Street, New York City, reflect that on August 29, 1960, HERBERT APTHEKER leased Room 1922-23, 853 Broadway, New York City, for the period starting October 1, 1960. The premises were to be occupied by a "People's School." On July 3, 1962, HERBERT APTHEKER signed a new lease for Room 1922-23, 853 Broadway, New York City, to start October 1, 1962, which reflects that the premises were to be used as an office for the NYSMS.

During April and May, 1964, a second source furnished information that the NYSMS was then in operation at 853 Broadway, New York, New York.

A third source advised on December 14, 1959, that at the 17th National Convention of the CP, USA, held December 10 - 13, 1959, HERBERT APTHEKER was elected a member of the National Committee of the CP, USA.

The May, 1963, issue of "Political Affairs," self-described as the theoretical organ of the CP, USA, reflects that HERBERT APTHEKER has been replaced as editor of that publication after holding this position for several years.

A characterization of SCOPE is included in the appendix.

STUDENT COMMITTEE ON
PROGRESSIVE EDUCATION (SCOPE)

A source advised on June 16, 1958, that the Student Committee on Progressive Education (SCOPE) was formed in early 1958, by a group of individuals who were believed to be, by the source, sympathizers of the former Labor Youth League (LYL).

~~CONFIDENTIAL~~

The LYL has been designated pursuant to Executive Order 10450.

A second source advised on November 20, 1958, that at the third day's session of the National Executive Committee (NEC), Communist Party, United States of America (CP, USA), held that day in New York City, ROBERT THOMPSON, Executive Secretary, CP, USA, stated that in New York there is a group of about twenty-one youths who have been a very active force in youth and formed a group called SCOPE, a Student Committee On Progressive Education, which has run for the last year with young people with a Marxist character. THOMPSON stated that approximately eight or ten of this group are CP members.

A third source advised on March 24, 1959, that during a meeting of the NEC, CP, USA, held on March 21, 1959, HYMAN LUMER, CP, USA Educational Director, stated that in New York most of the discussions on youth are between the National Office (CP) and two groups of young people who function in New York, which are either Party groups or pro-Party groups. The first group is called SCOPE (Student Committee on Progressive Education), and this group stands closest to the CP leadership.

A fourth source made available on March 23, 1961, a mimeographed letter signed by "The SCOPE Committee." This letter sets forth that last fall SCOPE became a part of the newly formed New York School for Marxist Studies (NYSMS) as its autonomous youth division.

The Winter (January 30, 1964 - March 6, 1964) Term 1964 Bulletin of the NYSMS states that SCOPE "believes that knowledge can be achieved and intellectual conformity and apathy avoided only through continual study and discussion. All students are encouraged to participate actively, as the goal of SCOPE is to provide a unique opportunity for the study and discussion of Marxism."

2 Writers Rap White America

NEW YORK — SPECIAL TO THE DEFENDER — White people cannot face the lies of their own history, said author James Baldwin in a lecture at the New School for Social Research. Some 200 people jammed in to hear him.

JAMES BALDWIN

falsified the history of the United States and are now at the mercy of their own myth-making. He said the earliest English settlers had left Europe to escape poverty, and to set up their own aristocracies. Many had come out of English jails, he pointed out. Who, Baldwin asked, "knows anything about the Virginia aristocrats outside of Virginia?" Another author John O. Killens, who organized the three-day conference and presides over the New School and the Harlem Writers Guild, said the white man's future depends on Negro progress.

"In the 20th Century," Killens stated, "the black American is the white man's hope." He alluded to remarks by Baldwin: "Baldwin has raised the essential question," he began his explanation, "how to save America from herself." The answer, he said, is in the hands of the "black writers" of America. The black writers must save America. "When the history of the 20th Century is written, it won't matter who reached the moon first but that this century was the century of freedom." During a question and answer period, an onlooker asked what he had in common with the black man in Africa?" Guild member Sylvester Leaks answered him: "By asking what you have, you have only demonstrated how thoroughly you have been brainwashed by the white man for 364 years."

Dear Friend,

I have recently returned from Alabama witnessing an heroic effort by the Negro Community of that state to achieve universal adult suffrage. Selma is one of those many areas in the south having a majority Negro population and it is in such areas that the present crisis in American Democracy is most intensely mirrored. The Selma example is of great significance to all of us.

Upon returning home, I found on my desk my copy of the latest issue of FREEDOMWAYS magazine. If you haven't read this magazine, which is a Quarterly Review of the Negro Freedom Movement, I urge you to get a copy immediately.

During the past five years, in which the growth of the Movement for Human Rights has so profoundly stirred the conscience of our nation, FREEDOMWAYS has been in the forefront of those magazines providing illuminating articles on the many facets of the Civil Rights crisis. In addition, its in-depth coverage and analysis of important developments on the African and Asian continents, its poetry, short stories, art and photography make FREEDOMWAYS a most complete magazine.

I am renewing my subscription today.

Won't you join me in using the enclosed envelope to mail a check for your subscription? You will be in time for the special Mississippi Issue, which is now available.

I know you will find FREEDOMWAYS an indispensable source of information as well as an inspiring literary experience.

Sincerely,

James Baldwin
